Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claims 6 and 11, lines 7 respectively, delete "the other" and insert --other--.

In claim 11, line 6, delete "long" and insert --along--.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: A dielectric resonant device comprising: a ceramic cavity having an open face and coated with a conductive film, the cavity containing a dielectric core; a conductive panel for covering the open face; and a resilient grounding plate sandwiched between the open face of the cavity coated with the conductive film and the conductive panel, wherein the conductive panel is fixed to the cavity in such a manner as to be pressed thereto.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
